Re: Breach of Condition

To **CARe PARK**, or its agency

I don't normally bother with CARe Park but since I am very bored and my online followers need entertainment, I am going to correspond with Care Park on this occasion.

I am writing to you in relation to Ticket Number [84268023](#). Please know as a fact under the Commonwealth of Australia, YOU have NO LEGAL OR VALID CLAIM against me as I have committed no crime and offended/broken no law.

I now put you CARE PARK on notice of the following facts:

- I did not enter into any contract or agreement with CARE PARK Pty Ltd at any point in time.
- I do not owe CARE PARK Pty Ltd **ANYTHING**. 😊 (I like this little smiley face)

Now let's jump ahead here. You are going to read this and then reply with some ridiculous claim about contracts, lawyers and laughable threats. In light of Care Park wanting to waste my time as well as valuable earth resources on ridiculous letters. They cut the trees down so we can write these letters, poor trees, what have they done to us to deserve this kind of death..... I've lost my train of thought.....Thinking about the trees.....

Also, while writing this letter, I'm currently in the middle of a game of Flight Simulator Steam Edition. I'm the air traffic controller at Honolulu International Airport and this bloody 12-year-old kid is continually buzzing the tower in a Boeing 747, I've issued him with several FFA warnings but I can see him circling around and coming back in for another fly by. My ears bleed every bloody time so unfortunately for him I'm going to have to get him banned from Flight Sim.

Anyway, not your concern. Where was I..... Oh yer, that's right, lawyers and stuff. I urge you to save some money and forget Parke Lawyers. Yes, I know who your lawyers are. I will be happy to remind them that previous rulings in the matters of **Vico v Car Park Pty Ltd (Civil Claims) [2014] VCAT 565 (2 May 2014)** and **Director of Consumer Affairs Victoria v Parking Patrols Vic Pty Ltd & Anor [2012] VSC 137 (13 April 2012)** will be tendered in my defence. I will also be more than happy to make an application for costs against Care Park. This is so much fun isn't it. ☺ (There's that smiley face I like)

Also, a copy of this correspondence and any further correspondence shall be uploaded to various websites, Facebook groups, as well as being sent to Ashley Argoon of the Herald Sun and Neil Mitchell of 3AW. I really like Ashley Argoon, she writes such informative articles and Neil Mitchell is a blast to listen to isn't he. ☺ (The smiley face again, sorry can't help it)

The ONLY way to avoid this is to provide me with written confirmation, within 7 DAYS, that this matter has been settled, finalized and closed and that no further action shall be taken.

I urge you to stop wasting your time and money. I say 'Your' because this is entertainment for me. In between games of Flight Simulator and Grand Theft Auto I have very little to do except read the Commonwealth Constitution of Australia and 'Blacks' law dictionary.

If Care Park continue this path, they will quickly find out they have pissed off the wrong person/people and will pay for doing so by obliging us to do whatever we need to, to shut Care Park down. Trust me you are already desperately close to losing your entire business.

Yours sincerely,

[Paul; Daniel](#)
